

TO ALL OUR CLIENTS

1) WHITE IP 40 CONSUMER UNITS

We are happy to inform you that starting 1st of October 98 all the products in the 673. and 675. family can also be supplied in white (see pages 94 - 95 - 97 in the 1998/99 English catalogue)

Connection accessories, described on page 102 (English catalogue 1998/99) will also be available in white.

Prices for the white version are the same as prices for the grey version.

To order them you just have to add **"B"** to grey products article code.

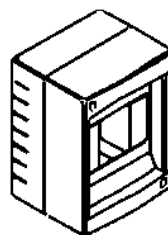

Example : 673.2004 (GREY) - 673.2004B (WHITE)

2) NEW CONSUMER UNIT FOR 2/4 MODULES

The new IP 40 consumer unit without window for 2/4 modules is now available in both white and grey (page 94 of the 1998/99 English catalogue).

The price list is :

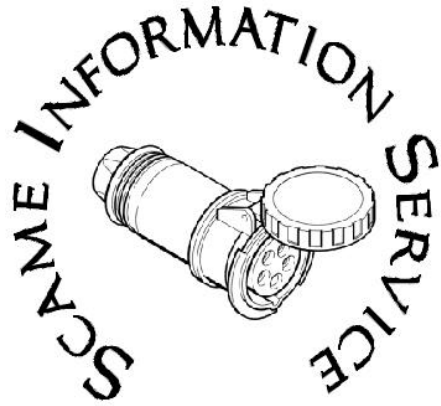

CODE	GROSS PRICE LIST ITL.
673.2102	5.460
673.2102B	5.460

3) MIZAR IN SERIES

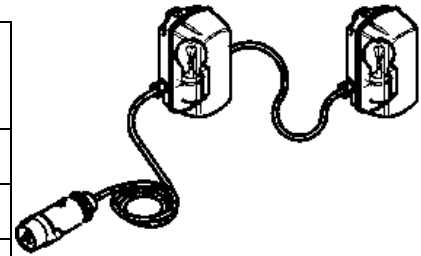

We would like to remind you that we are producing Mizar lamps already cabled with plug and cable for use on building sites.

This solution saves time for the final user when installing these items.

For technical details please refer to pages 214/215 of our 1998/99 english catalogue.
 The relevant prices are :

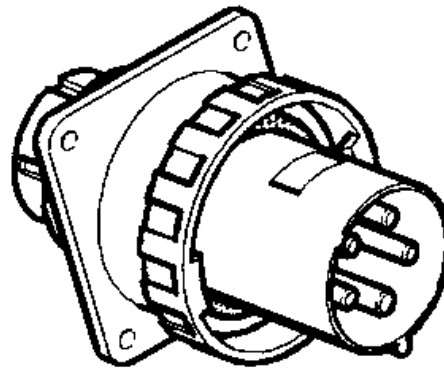

CODE	GROSS PRICE ITL.	DESCRIPTION
