## TO ALL OUR CLIENTS

### 1) NEW PRICE LIST NO. 38

To give all our clients an advantage over their competitors Scame has decided to put off the introduction of the new price list by one month. Therefore the date the new price list becomes valid will be **1 May 99**.

### 2) "QUADRA" SERIES INTERLOCK SWITCH SOCKET OUTLETS

We remind you that the entire "QUADRA" series IP44 interlock switch socket outlet series has been finished with. In the IP 66 version only the following codes are being kept:

546.1683	546.1686	546.1687
546.3283	546.3286	546.3287

The remaining codes have been finished with.

These 6 codes that are being kept are in the process of a face-lift incorporating OMNIA components and so the product will change a little in appearance and improve significantly in capability.

### 3) "ROLLER 450" SERIES INDUSTRIAL CABLE REELS

We inform you that the following Roller series industrial cable reels IP 44 with thermal protection will no longer be manufactured:

745.3015-350 - 745.3015-351 - 745.3015-352 - 745.3015-353 - 745.3015-354 - 745.3015-355  
745.5015-350 - 745.5015-351 - 745.5015-352

**n° 04/1999** - MARCH 1999
