

**TO ALL OUR CLIENTS**

**1) NEW COMPUTER SYSTEM**

The changeover from the old computer system to the new SAP R3 system is now finished. We would like to thank all our clients for their patience during the changeover period. The positive effects should be seen by the beginning of next year.

**2) DOMESTIC CABLE REEL WITH 4 SOCKETS FRENCH AND GERMAN STANDARD (UNEL)**

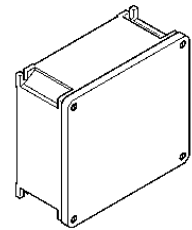

These very high quality products are available with or without thermal switch. And apart from these 2 versions there is an entire range of cable reels for TV, telephone and electricity, for every need as seen in the new English catalogue 2000-2001 on page 50.

	Standard French version		Standard German version	
Cable length	Code without thermal switch	Code with thermal switch	Code without thermal switch	Code with thermal switch
10 m.	707.3810	709.3810 709.3811	707.3910	709.3910 709.3911
20 m.	707.4820	709.4820 709.4821	707.4920	709.4920 709.4921

### 3) ALUMINIUM JUNCTION BOXES ALUBOX SERIES- IP55

Scame is offering a range of metal products for installations that demand robustness. See pages 120-121 of the new English catalogue 2000-2001 or ask for the brochure for more details.

### 4) SCABOX JUNCTION BOXES

The success of these products has allowed us to increase the range and accessories available, including:

#### a- COVER SEALING KIT

Allows the installer to seal the installation when the work is finished.

#### b- WALL MOUNTING BRACKETS KIT

Avoids mechanical contact between the inside of the box and the wall

#### 5) CHRISTMAS CLOSURE

The export office will close the evening of 23 December and re-open 10 January 2000. For anything urgent on 3,4, and 5 January there will be someone available to answer telephone queries of any kind.

#### 6) END OF MILLENNIUM

We wish all our clients a very happy passage from the old century to the new.

Thank you for your time.

Warm regards,

SCAME PARRE SPA  
EXPORT DEPT.
