

TO ALL OUR CUSTOMERS

NEW 1. **ACCESSORIES FOR AIR CONDITIONING TRUNKING**

We are enlarging our line of accessories for air conditioning trunking with new items that will offer our customers complete versatility when installing air conditioning systems:

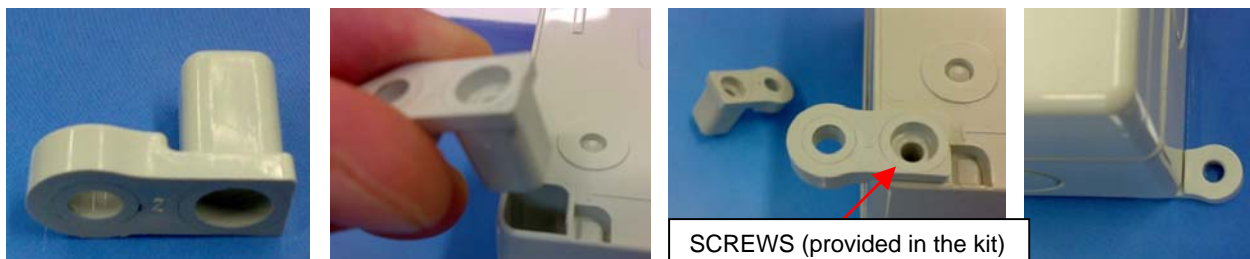

DESCRIPTION	SIZE 60X45		SIZE 80X60	
	Item number	Units/pack	Item number	Units/pack
 Variable exterior angle	871.AEV060	8	871.AEV080	4
 Variable interior angle	871.AIV060	6	871.AIV080	6
 Right vertical angle	871.AVD060	6	871.AVD080	4
 Left vertical angle	871.AVS060	6	871.AVS080	4
 Variable flat angle	871.APV060	8	871.APV080	6

NEW 2. **MOUNTING BRACKET KIT FOR THE UNIBOX SERIES**

Scame is paying greater attention to installation needs and is introducing a new kit for mounting the UNIBOX series of products on the wall without drilling holes in the enclosure. A simple detail such as this shows that the company is focusing not only on developing new products but also on improving the products that are already on the market!

DESCRIPTION	PACK. QTY	CATALOGUE NUMBER
Mounting bracket kit for the UNIBOX series (2 brackets + 2 screws in each kit)	10	136.001

N.B.: Screws are provided in the kit to prevent the mounting brackets from becoming loose

NEW 3. EVOLUTION SERIES: TV, TELEPHONE AND PROXIMITY SENSOR PRODUCTS

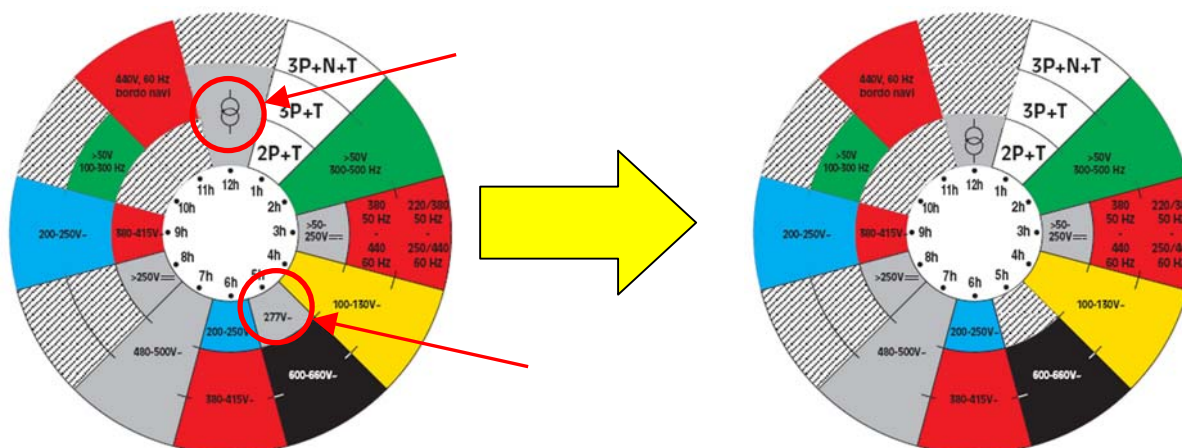

Scame has added three important new products to its EVOLUTION series:

DESCRIPTION	COLOUR	UNITS/PACK	CATALOGUE NUMBER
PROXIMITY SENSOR	Charcoal	12/480	101.6850
	White	12/480	101.6850.B
	Grey	12/480	101.6850.G
TELEPHONE PLUG 6/4 SOCKET	Charcoal	12/480	101.6461.64
	White	12/480	101.6461.64B
	Grey	12/480	101.6461.64G
TV-SAT PLUG	Charcoal	6/240	101.6434
	White	6/240	101.6434B
	Grey	6/240	101.6434G

4. OUT OF PRODUCTION: 2P+T h5 AND 3P+T h12 (SERIES I) INDUSTRIAL PLUGS AND SOCKETS

SERIES I 2P+T HOUR 5 (277V 60Hz) INDUSTRIAL PLUGS AND SOCKETS

The new IEC 60309-2 standard no longer allows for the Series I 2P+T hour 5 (277V 60Hz) version (European version) and only the Series II (North-American version), which has different nominal characteristics, can be used. SCAME products that are currently manufactured with this configuration can no longer be certified and conflict with this directive so they will be put out of production.
