

**TO ALL OUR CUSTOMERS**

**NEW**

**1. SYSTEM ADAPTORS: ADAPTOR WITH FRENCH-GERMAN STANDARD DOMESTIC PLUG AND INDUSTRIAL SOCKET**

The SCAME product line has been extended regarding the simple system adaptors. A new adaptor has been introduced with a French-German standard domestic plug and IEC309 industrial socket with the outlet at 90°.

The following new catalogue number has thus been created:

| DOMESTIC PLUG  | INDUSTRIAL SOCKET   | PACKAGE BULK PACK | CATALOGUE NUMBER |
|--|---|-------------------|------------------|
|  French-German Standard<br>2P+E - 16A 250V~ |  IEC309<br>2P+E - 16A 250V~ - 6h | 10/100            | <b>610.379</b>   |

**NEW**

**2. LIBERA SERIES ADAPTORS: ADAPTOR WITH FRENCH-GERMAN STANDARD DOMESTIC PLUG AND LIBERA SERIES SOCKET**

The SCAME line of products for recharging electric vehicles has also been extended.

A new adaptor has been introduced with French-German standard domestic plug and 16A LIBERA Series socket (socket compliant with the Italian Standard CEI 69-6 - Standardization of socket-outlets for connection of electric road vehicles to the electricity grid).

The following new catalogue number has thus been created:

| DOMESTIC PLUG  | INDUSTRIAL SOCKET   | PACKAGE BULK PACK | CATALOGUE NUMBER |
|--|---|-------------------|------------------|
|  French-German Standard<br>2P+E - 16A 250V~ |  LIBERA SERIES<br>16A - 230V~ 2P+E+Pilot | 10/100            | <b>200.01624</b> |

**NEW**

### 3. ISOLATORS SERIES SINGLE-POLE SWITCHES

The product line of the thermoplastic ISOLATORS Series has been expanded, introducing a range of products for 20A, 32A and 40A single-pole switches for general use.

The following new catalogue numbers have thus been created:

| DESCRIPTION | DIMENSIONS  | PACKAGE<br>BULK PACK | CATALOGUE<br>NUMBER |
|-------------|-------------|----------------------|---------------------|
| 20A 1 Pole  | 120x82x85mm | 1/12                 | <b>590.GE2021</b>   |
| 32A 1 Pole  | 120x82x85mm | 1/12                 | <b>590.GE3221</b>   |
| 40A 1 Pole  | 120x82x85mm | 1/12                 | <b>590.GE4021</b>   |

The main features of these products are:

- ✓ Thermal current I<sub>th</sub>: 40A
- ✓ Electrical features:
  - 20A, 32A, 40A, 250V; AC22A
  - 16A, 20A, 25A, 250V; AC23A
- ✓ Polarity: 1P
- ✓ With Earth and Neutral contact uninterrupted
- ✓ Possibility to padlock the dial
- ✓ Dimensions: 120x82x85mm
- ✓ Cut-out entries: 1xM20 + 1xM25 (upper and lower side), 2xM20 on the bottom
- ✓ Degree of protection: IP65

**NEW**

### 4. INNOVA SERIES: ONE WAY SWITCH - SINGLE POLE - 6 GANG

Innova, the highly diversified product line of wiring accessories, has now been expanded even further. Along with the 1,2,3,4 gang switches, a 147x87 mm 6 gang version is now also available in the variants 10AX and 20AX.

The following new catalogue numbers have thus been created:

| DESCRIPTION                              | FEATURES:    | PACKAGE<br>BULK PACK | CATALOGUE<br>NUMBER |
|--|--------------|----------------------|---------------------|
| One way switch – 6 gang<br>(single pole) | 10AX – 250V~ | 10/100               | <b>103.3061</b>     |
| One way switch – 6 gang<br>(single pole) | 20AX – 250V~ | 10/100               | <b>103.3062</b>     |

**NEW**

**5. INNOVA SERIES: SINGLE AND DOUBLE SAT SOCKET**

To complete the TV/FM/SAT socket outlets product range, single and double SAT socket outlets are now available.

The following new catalogue numbers have thus been created:

| DESCRIPTION              | DIMENSIONS     | PACKAGE<br>BULK PACK | CATALOGUE<br>NUMBER |
|--------------------------|----------------|----------------------|---------------------|
| single SAT socket outlet | 1 gang (87x87) | 10/100               | <b>103.435</b>      |
| double SAT socket outlet | 1 gang (87x87) | 10/100               | <b>103.436</b>      |

**NEW**

**6. INNOVA SERIES – MODULAR TELEPHONE AND DATA SOCKET OUTLETS**

The modularity of the new datatel series offers the convenience of a product which is easy to customise in order to meet the customer's needs. These products are available as single components or already assembled.

| LEGEND                                  | INDICATIVE PHOTO |
|---|------------------|
| Frame                                   |                  |
| Single support<br>(fits into the frame) |                  |
